## OUR COMPANY

Cérémonie is a small, family-owned company and creating great tea is our one and only passion. We have brought together our close-knit team of tea professionals from around the world and together we focus our energies on producing the best tea.

Originally from Washington, DC, husband-and-wife team, Efrat and Elli Schorr decided to discover the world, one cup of tea at a time. After sharing 20 years of marriage, 5 children and stubbornly no pets, these childhood sweethearts decided to look for their next adventure together. At Cérémonie Tea, they love developing friendships with tea and herb growers from around the world, enjoying the development of mutual understanding and respect across cultures and continents.

## ABOUT CÉRÉMONIE TEA

*No other beverage is as tied to ritual as tea.* At Cérémonie, we honor those rituals and the rites of the past with our own, modern interpretation of the traditional tea culture. Established in 2003, Cérémonie has integrated timeless tea traditions and redefined the Israeli tea market by introducing whole leaf teas, wrapped in eye-catching designs.
